DOMI sense aromas invite you to enjoy a relaxed shopping experience!

Founded in 2017, DOMI sense is a scent marketing specialist based in Vienna, specialising in creating a feel-good atmosphere for different companies and brands with different concepts.

A well-chosen fragrance can help to highlight certain products or sports. For example, a fresh fragrance that is reminiscent of nature can be used to make outdoor sports equipment or clothing more attractive. A pleasant aroma also helps to reduce stress and promote a relaxed atmosphere. Customers who feel relaxed and comfortable while shopping are more likely to spend time in the store and buy more.
